Nancy Adams, Library Coordinator

On behalf of Friends of the Pequot Lakes Library (a major funding source for the Library), the Library itself, and all of the volunteers who make the library a success for our community, I am requesting that the \$100 Land Use Fee be waived.

Because library volunteers regularly use this lot and it is a true eyesore for our community, the Board of Friends of the Pequot Lakes Library has worked with Dale Lindquist, owner of the Jack Pine Center, to have the parking lot paved.

Thank you for your consideration of this matter. Should you have questions, please feel free to call me: 312-450-4022 (cell) or 568-8110 (home).
