City of Pequot Lakes

The Police Department has spoken with both Adam Kronsted and Caitlin Robinson recently. Both have moved onto new positions and assignments that unfortunately require more of their time and therefore cannot devote the time necessary to the City of Pequot Lakes. Both are sending formal letters of resignation to the City. Please accept this as their resignation based on conversations with them. Both enjoyed working for the City and would enjoy future employment with the City should they have the time to devote to the City in the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Chad Turcotte".
