Subject: Request to Hire Police Officer

Report: The Pequot Lakes Police Department received 19 applications for the full-time, police officer position based on an eligibility list that was created. A team of people interviewed 11 applicants on August 30th. The selection team agreed to offer the position to Ryan Franz. Mr. Franz has been given a conditional offer of employment contingent on completion of the necessary pre-employment screenings.

If any member of the Council is interested in reviewing the application, please let the Police Department know.

Council Action Requested: If the pre-employment screenings are complete and in good order, we will be recommending that the Council hire Ryan Franz as a full-time police officer. We will have further information on Tuesday evening.
