

AGENDA ITEM #9.3

REPORT TO CITY COUNCIL

Report Prepared by: Nancy Malecha

Date: February 2, 2016

Subject: Request to Hire Temporary Maintenance Worker

Report: Public Works Supervisor, Mike Loven is currently out on a leave of absence. Bill Rickard from the Fire Department has graciously offered to assist the City with snowplowing during Mr. Loven's absence. Mr. Rickard is familiar with the City's streets and equipment as he has helped the City with snowplowing in the past and he has a current CDL license. I am recommending an hourly wage of \$17.94 per hour (step 7) be afforded to Mr. Rickard due to this exceptional circumstance.

Council Action Requested: Council motion to hire Bill Rickard as a temporary, non-exempt Maintenance Worker on an as needed basis for the purpose of snowplowing during the Public Works Supervisor's leave of absence at a wage of \$17.94 per hour (step 7).
