

AGENDA ITEM #9.4

REPORT TO CITY COUNCIL

Report Prepared by: Mike Loven

Date: April 5, 2016

Subject: Small Cities Assistance Aid Projects

Report: In 2015, the City received \$45,889 in Small Cities Assistance Aid from the State of Minnesota. Per Minnesota Statute 162.145, this Aid must be used for construction and maintenance of roads located within the City.

I am requesting authorization from the Council to use these funds for repair and maintenance of City streets that are in need of crackfilling, pothole repairs, and shouldering as well as curb and gutter repairs along Front and Main Streets. The curb and gutter repairs along Front and Main Streets would be eligible for the 50/50 cost share plan with Crow Wing County.

Council Action Requested: Council motion authorizing repair and maintenance of City streets as deemed necessary by the Public Works Supervisor using funds received from the Small Cities Assistance Aid.
