

**NEW BUSINESS – ANIMAL BOARDING FACILITY, DISCUSSION**

---

**Agenda Item: 6 (c)**

---

**Background Information:**

Animal Boarding Facility is defined as *“An establishment that houses animals, other than those belonging to the occupant, overnight or over an extended period of time”*.

The Land Use Matrix lists an Animal Boarding Facility as an Excluded Use in the Downtown Mixed Use zone.

The Planning Commission should come prepared to discuss whether fostering an animal in a home environment rather than being in a shelter constitutes being an Animal Boarding Facility.
