

**OLD BUSINESS –FUTURE LAND USE MAP**

---

**Agenda Item: 7 (a)**

---

**Background Information:** The City Council directed the Planning Commission to review the Future Land Use Map as it relates to the realignment of TH 371. The City Engineer provided the attached updated Integrated Growth Plan MP by utilizing the 2003 map and overlaying the new alignment. Please note that all current MN/DOT right-of-way is “red”. The current alignment from Timberjack corner north to County Road 17 will be turned back to the City in 2018.
