

**NEW BUSINESS – TEMP. FAMILY HEALTH CARE DWELLINGS**

---

**Agenda Item: 6 (a)**

---

**Background Information:** Attached is the League of Minnesota Cities (LMC) FAQ document regarding a new law that creates a process for landowners to place mobile residential dwellings on their property to serve as a temporary family health care dwelling. This new law takes effect September 1, 2016.

Please review the FAQ document and be prepared to discuss whether to follow and implement the law or opt out as permitted. If the City of Pequot Lakes chooses to opt out, a public hearing would need to be held and a recommendation be sent to the City Council to pass an ordinance.

There is no deadline to opt out, but we would need to comply until such time as we opt out.
