

**AUTHORIZATION TO DISCHARGE
STORMWATER ASSOCIATED WITH CONSTRUCTION ACTIVITY
UNDER THE NATIONAL POLLUTANT DISCHARGE ELIMINATION SYSTEM (NPDES)/
STATE DISPOSAL SYSTEM (SDS) PROGRAM
C00056287**

Permittee (Owner): North Fork Boulders & Excavating
Permittee (Operator): North Fork Boulders & Excavating
Project Name: Evenson Pit
City or Township: Pequot Lakes, **County:** Crow Wing
Location description:
Pin: 29010511-29010500Section: 1Township: 136NRange: 29W
Issuance date: March 30, 2020
Expiration date: July 31, 2023

The state of Minnesota, on behalf of its citizens through the Minnesota Pollution Control Agency (MPCA), authorizes the Permittee named above seeking coverage under this general permit to discharge stormwater associated with construction activity to waters of the state of Minnesota in accordance with the requirements of this permit.

The goal of this permit is to reduce pollutant levels in point source discharges and protect water quality in accordance with the U.S. Clean Water Act, Minnesota statutes and rules, and federal laws and regulations.

This permit is effective on the issuance date identified above. This permit expires at midnight on the expiration date identified above.

RE: NPDES/SDS General Stormwater Permit for Construction Activity (MNR100001) Application
Permit ID Number: C00056287
Project Name: Evenson Pit

The Evenson Pit project has been granted coverage by the Minnesota Pollution Control Agency (MPCA) under the National Pollutant Discharge Elimination System (NPDES)/State Disposal System (SDS) Stormwater Permit (Permit) for Construction Activity. Permit coverage is effective for this project on March 30, 2020.

You are required to comply with the terms of the permit to prevent erosion and control sediment from your site with the procedures established in your stormwater pollution prevention plan (SWPPP). You are also required to upgrade your SWPPP and erosion prevention and sediment control best management practices as site and weather conditions dictate throughout the entire term of the project.

Once all construction activity has been completed at this project, you must submit a notice of termination (NOT) form to the MPCA within 30 days of meeting the conditions outlined in Part II (C) of the permit. Please check the MPCA website (<http://www.pca.state.mn.us/water/stormwater>) or call to request an NOT form and fact sheet.

Please save this letter for your records. If you have any questions about permit coverage for this project, please contact the Construction Stormwater Program at 651-757-2119 or toll free at 800-657-3804.

MPCA Online Construction Stormwater Permit Application Status

From: mpca.onlineservices@state.mn.us
To: northforkrocks@yahoo.com
Date: Monday, March 30, 2020, 07:25 AM CDT

Dear Applicant:

On 29-MAR-20, the Minnesota Pollution Control Agency (MPCA) received your application for Construction Stormwater permit coverage for:

Project Name: Evanson Pit
Project Location: Pequot Lakes MN 56472
Owner: North Fork Boulders & Excavating
Contractor: North Fork Boulders & Excavating

Permit ID number: C00056287

Payment Confirmation Number for \$400 application fee: Test Payment Confirmation ID

Based on the information submitted in the application, the project qualifies for general permit coverage and will start on 29-MAR-20.

Within 24 hours, you can access your Notice of Coverage in the Construction Stormwater search webpage at <https://cf.pca.state.mn.us/water/stormwater/csw/resultSummary.cfm?id=C00056287>.

Permittees are responsible for compliance with all terms and conditions of the general permit contained in your Notice of Coverage.

At the end of the project, after the entire disturbed area of the project has permanent cover and the maintenance activities required by the general permit have been completed, you must submit a Notice of Termination application form to the MPCA to end your liability under the general permit. The Notice of Termination form is available at the link listed above.

If you have any questions, please visit <http://www.pca.state.mn.us/index.php/water/water-types-and-programs/stormwater/construction-stormwater/index.html>. You may also email program staff at CSW@state.mn.us or call the Stormwater Hotline at 651-757-2119 (800-657-3804, non-metro only).

You may be able to reduce your regulatory requirements and save money through prevention activities that minimize waste, emissions, water use, and energy use. Visit MPCA's website at <http://www.pca.state.mn.us/pollutionprevention> for more information.

If you are not a permittee or you are not the person identified on this correspondence, please contact the MPCA e-Service Administrator at the email address or phone number listed below so we can correct our information.

We look forward to working with you to protect our valuable natural habitat and water resources.

Please do not reply to this message, it was sent from a notification-only address. If you have questions about this e-service, email us at onlineservices.pca@state.mn.us or call the MPCA e-Service Administrator at 651-757-2728 or 1-844-828-0942, 8:00 a.m. to 4:00 p.m. CST, Monday through Friday.
