9.1. Rasmussen Road & South Washington Avenue Improvement Project

9.1.A. Certificate of Substantial Completion

Tim Houle stated the Construction Contract calls for setting the Date of Substantial Completion and a punch list walk-through.

Included is the Certificate of Substantial Completion setting the date as July 2nd, 2020. This conforms to the agreed upon Contract Times.

Also included is the punch list from the July 9th walk-through by construction Contractor, RL Larson, City staff, and Widseth personnel. Several of these items have been addressed since that time.

We are anticipating punch list items will be completed by around mid-August.

Regarding punch list or other project items, like we have worked out with the Staff, we request that if you receive questions or comments, please forward them to us. If there is an issue that is part of the Contract's scope of work, per the Contract, there is a procedure to notify the Contractor.

We have already received a couple of comments, and we have called those people to do our best to address and explain the situation or concern.

Mr. Houle stated we have one outstanding easement/land description. The City Attorney has been contacted and there are 3 methods of establishing the easement.

Council Member Akerson inquired about how many items on the punch list has been completed. Mr. Houle did say that he is looking into the completion of the punch list. Mr. Houle stated that the Council is not approving the punch list, that motion will be in September.

COUNCIL MEMBER SWANSON MOVED TO ACKNOWLEDGE THE CERTIFICATE OF SUBSTANTIAL COMPLETION. COUNCIL MEMBER PEDERSON SECONDED THE MOTION. MOTION CARRIED 4-0.

9.1.B. Change Order

Change Order No. 5 involves the construction of sidewalk ramps, steps, a handrail, and delineator posts in the southeast corner of Main Street and South Washington Avenue related to meeting American's with Disabilities Act (ADA) access, longitudinal slopes, and cross slopes.

We believed we had many of these items addressed in the design, but, when dealing with ADA, it does come down to fractions of inches and hundredths of a percent in slopes. Most of the items were addressed by Contract unit price items, but there are a few new items within this Change Order.

COUNCIL MEMBER AKERSON MOVED TO APPROVE CHANGE ORDER NO. 5 ADJUSTING THE CONTRACT AMOUNT BY \$7,705. COUNCIL MEMBER SWANSON SECONDED THE MOTION. MOTION CARRIED 4-0.

9.1.C Partial Payment Estimate

The Construction Contract calls for payments to the Contractor, RL Larson Excavating, on a monthly basis. This Project is a unit price job where the Contractor provided unit prices for estimated quantities for different items of work. RL Larson Excavating has submitted quantities for the work performed in this Partial Payment Estimate (PPE) Number 4, which we have verified.

All PPEs, per the Contract, include 5% retainage held back by the City until Substantial Completion. At that point, the Contract calls for releasing some of the retainage based on the completion of punch list / remaining items. Accordingly, this PPE No. 4 releases some of the retainage (50%), but keeps \$75,000.

At the writing of this memo (July 28th), RL Larson Excavating has completed the majority of the work. But, there are several punch list and quantity line items yet to be calculated and paid for. We anticipate this will occur at your September meeting.

This PPE No. 4 brings the Amount of Work to-date versus the Contract Amount to 98% – i.e. this does not always happen on unit price projects, but, still under budget.

COUNCIL MEMBER PEDERSON MOVED TO APPROVE PARTIAL PAYMENT ESTIMATE NUMBER 4 TO RL LARSON EXCAVATING INC. IN THE AMOUNT OF \$152,309.50. COUNCIL MEMBER SWANSON SECONDED THE MOTION. MOTION CARRIED 4-0.

9.2. South Sluetter Road Quit Claim Deed/Donation

In 2017, Tom Peterson, on behalf of Gary and Jaculin Peterson, approached the City stating his parents receive real estate tax statements for a portion of South Sluetter Road and requested being released from the taxes. He was advised ownership would need to be transferred to the City conveying title to the property in question for them to no longer be responsible to pay real estate taxes.

In 2019, Gary Peterson contacted the City after receiving a letter dated June 20, 2019, in which a third party offered to purchase a parcel of property described as Outlot B, Mayoville Estates, also known as part of South Sluetter Road. Mr. Peterson wondered if the City had an interest in purchasing Outlot B. The City reviewed ownership records of Outlot B and determined there may have been some miscommunication at the time of annexation between Sibley Township and the City as to what portions of South Sluetter Road were to be publicly maintained. Sibley Town Board passed a resolution in April of 1991 finding the northern ¼ mile (more or less) of South Sluetter Road was to be a duly-established township road. However, the portion of South Sluetter Road located on Outlot B was not a part of the road designated as a township road in 1991.

The City contacted Gary Peterson several times regarding his plan to either transfer ownership to the City or the City would cease maintenance of Outlot B.

Mr. Peterson has provided a Quit Claim Deed conveying ownership of Outlot B, Mayoville Estates, to the City.

The City Attorney has been consulted and advised Staff of the Quit Claim Deed process.

The City received two quotes and the Park Commission unanimously recommends the Council accept the Falls Flag Source quote for \$11,040.00.

Falls Flag Source secured a third-party quote for a concrete strip around the flagpoles, approximately 2' wide X 20' long. The Park Commission unanimously recommends the Council accept the third-party quote for the concrete strip from Rickard and Sons for \$2,300.00.

COUNCIL MEMBER AKERSON MOVED TO ACCEPT THE QUOTE FROM FALLS FLAG SOURCE FOR \$11,040 AND QUOTE FOR THE CONCRETE STRIP FROM RICKARD AND SONS FOR \$2,300. COUNCIL MEMBER SWANSON SECONDED THE MOTION. MOTION CARRIED 4-0.

9.4. Maintenance Facility Final Payment

BCI has provided the close out paperwork per the construction Contract, along with a release of claims letter prepared by the City Attorney (signed by BCI and to be signed by the Mayor).

Mr. Gorr stated all the flags were being replaced so the Mississippi flag has already been removed. Mayor Pro-Tem agreed that since it is damaged we will wait until we get a new flag. Commissioner Pederson asked Mr. Houle about the definition of a "new" project.
