Re: Planning Commission Report

Dear Mayor and City Council:

The Planning Commission held their regular meeting in September where they held two public hearings. They tabled a variance request, discussed Interim Uses, reviewed zoning standards and the land use matrix for the Heart of the Good Life Development and reviewed updates to the Downtown Plan.

They are sending you one recommendation this month:

1. Approve the final plat of "The Range" contingent on various modifications and submittal items required (see attached report).

I am unable to attend your upcoming meeting due a prior commitment. Commissioner Birch will be in attendance.

Please feel free to contact me with any questions or concerns at 218-895-4151 or Justin.Burslie@sourcewell-mn.gov.

Sincerely,

Justin Burslie
City Planner
