Re: Planning Commission Report

Dear Mayor and City Council:

The Planning Commission held their regular March meeting on April 2. They approved a Conditional Use Permit for Sharon Thorson to operate a seasonal outdoor farmers market in the Downtown Mixed Use zone. They also discussed solar ordinances and the SolSmart program. The Planning Commission unanimously agreed to suspend discussions regarding the Downtown Plan Update and the Gateways due to the inability to have creative conversations via virtual meetings. These discussions will resume when they are able to meet in the Council Chambers. They are sending you one recommendation.

The Planning Commission also held their April 16 regular meeting. They tabled a public hearing for an extractive use and approved an internal sign plan for the Crow Wing County Fire Tower property.

Please feel free to contact me with any questions or concerns at 218-568-6699 or dbittner@pequotlakes-mn.gov.
