RE: 2019 City Work Plan

Dear Mayor and City Council:

In January the Council directed the Planning Commission to complete 3 projects. Those projects and their results are below:

1. Work with the HRA to develop a redevelopment plan for existing homes.
 - This item will be completed in 2020 after receiving the Crow Wing County HRA Workforce Housing Study.
2. Update the Downtown Plan.
 - The Planning Commission has been very thorough in their review and have included information from the Traffic Study, Road Improvement Plan/Pavement Evaluation, and Road Specifications Guidelines. This item is on track to be completed in early 2020.
3. Draft architectural, landscaping, and zoning regulations for the Heart of the Good Life Development.
 - The Planning Commission reviewed ordinances from several municipalities and have drafted a very comprehensive ordinance. The Public Hearing for this ordinance amendment is scheduled for January, 2020.

Sincerely,

Dawn Bittner
