To whom it concerns,

My name is Evan Hayes, I am or was a volunteer in the Pequot Lakes fire dept.

Due to an unexpected job change that has me moving, I won't be able to stay in the fire dept. because of the distance. I'm moving in-between Pillager and Baxter making the distance way too far for the departments' by laws. Sorry for causing any problems with this because this was a very sudden job change and move.

Evan Hayes

Council Action Requested: Council acknowledgement of Evan Hayes' resignation as firefighter with the Pequot Lakes Fire Department.
