

AGENDA ITEM # 9.2.B

REPORT TO CITY COUNCIL

Report Prepared by: Tim Houle

Date: December 3, 2019

Subject: Rasmussen Road & South Washington Avenue Projects – Authorize Advertisement of Bids

Report: In anticipation of bidding during the winter and constructing during the 2020 construction season, we request the City Council authorize advertising for public bids, with public bids being accepted until 10:00 a.m. on Tuesday, January 28, 2020 at which time the bids received will be publicly opened and read aloud. It is anticipated that the City Council will consider the bids and possibly award the project at their Tuesday, February 4, 2020 City Council Meeting. These dates would allow time to execute a construction contract, hold a pre-construction meeting, review shop drawings, order materials, and prepare to mobilize so when the weather permits, construction can begin.

Council Action Requested: Council motion authorizing the advertisement of bids for the Rasmussen Road and South Washington Avenue Improvement Projects with a timeline to meet the above schedule.
