

AGENDA ITEM # 9.2

REPORT TO CITY COUNCIL

Report Prepared by: Jason Gorr – Public Works Director

Date: November 5, 2019

Subject: Nickel Road Speed Limit Sign

Report: Breezy Point's Public Works Director reached out to me on posting a Speed Limit 30 MPH sign on the west end of Nickel Road which is in our City's jurisdiction. They have this speed limit posted on their end of this shared road. Nickel Road is near Eagleview Elementary School and has exclusively residential parcels. To aid in safety, consistency, and driver compliance, I am recommending the City post a Speed Limit 30 MPH sign on the west end of Nickel Road.

I discussed this with our City Engineer, reviewed State statutes, and coordinated with Chief Klang on this matter. This was acceptable to all.

Council Action Requested: Council motion authorizing the placement of a Speed Limit 30 MPH sign on the west end of Nickel Road in the City's jurisdiction.
