

AGENDA ITEM # 9.3

REPORT TO CITY COUNCIL

Report Prepared by: Dawn Bittner

Date: October 6, 2020

Subject: Betsy Ross Flag

Report: The City received 2 complaints that the Betsy Ross Flag in the Trailside Park Flag Display was not lit. After researching the issue, it was determined that this flag should be treated the same as the American Flag. The Park Commission was not aware that this flag required a 30' flagpole and should be lit. It was the consensus of the Park Commission at their September 10 meeting to light the flag as a first step. If necessary, the pole can be replaced at a later date.

Council Action Requested: No action requested.
