

AGENDA ITEM # 9.3

REPORT TO CITY COUNCIL

Report Prepared by: Jason Gorr – Public Works Director

Date: November 5, 2019

Subject: Placement of Stop Signs

Report: During our annual sign work, the Public Works Staff noticed there were no stop signs at 3 locations as identified on the attached map. Staff determined that although these locations supply only a low flow of traffic volume, they are entering onto busier streets which include Government Drive and Rasmussen Road. The Police Department was consulted and for safety and traffic control reasons the stop signs were erected.

Council Action Requested: Council motion supporting the placement of three stop signs at the intersections of East Grove Street & Rasmussen Road, East Sibley Street & Government Drive, and Gravidahl Drive & Rasmussen Road.
