Dan,

Due to my work schedule in the afternoons, I have not been able to attend the meetings regularly. Therefore, I feel it best to resign from the Park Board at this time. I'm sorry for any inconvenience this may cause and I wish the Board the best in the future. I appreciate your efforts and am confident that the success will continue.

Sincerely,

Patrick Churack

Nancy Malecha:

For the twenty plus years of residing in Pequot Lakes, I've heard from both residents and business owners of the poor leadership and lack of willingness to nurture and allow the community to grow and prosper. Seeing firsthand the truth in that has been both enlightening and shocking.

My thought was to become involved and hopefully make a difference. I've concluded the battle is not worth my health or wellbeing. The city of Pequot Lakes will continue to die a slow cancerous death as long as we have people pulling strings rather than leading for the betterment of the community and its people.

My plan is to move from Pequot Lakes and therefore not be involved in the park commission or any aspect of the city.

I wish you well in your vision.

Best Regards,

Brian Maher
