

AGENDA ITEM #10.7

REPORT TO CITY COUNCIL

Report Prepared by: Nancy Malecha

Date: January 8, 2019

Subject: Request to Carryover Funds for Upgrades

Report: In 2018, \$1,600 was budgeted for a website upgrade and \$5,000 was budgeted for I.T. upgrades. Due to the overall cost in making the needed upgrades, these funds were not expended in the hopes that these monies could be carried over to 2019 and added to the 2019 budgeted funds for these same purposes. I am requesting Council authorization to carryover funds in the total amount of \$6,600 to 2019 to be utilized for website and I.T. upgrades.

Council Action Requested: Council motion authorizing the carryover of funds in the total amount of \$6,600 to 2019 to be utilized for website and I.T. upgrades.
