

## **REPORT TO CITY COUNCIL**

**Report Prepared by: Emily Johnson**

---

**Date:** June 3, 2024

**Subject:** Administration Report

**Report:** This month has been busy with new and upcoming projects and the return of tourists, bringing renewed energy and excitement to our streets, businesses, and public spaces. What else can we say but "Hello, Summer!" We welcome the influx of visitors and the opportunities it brings!

Here are a few highlights from last month:

- On May 16th, we welcomed the entire second grade class from Eagleview Elementary to City Hall. The students had the opportunity to take part in their own Council Meeting. A special thank you to Scott for attending and assisting with the event, and to Police Chief Davis and Fire Chief Schwankl for their support.
- Emily finished her first year at the MN Municipal Clerks Institute, while Angie completed her third year and has now applied to the Municipal Clerks Advanced Academy. These programs are truly invaluable to city government.
- Julie has established a more dedicated routine for balancing her time between the city office and the police department. She continues to be a much-needed asset to our team and is growing in her role, just like the rest of us!
- Traci has been amazing, handling a lot of projects and permits! Planning and zoning has been a hot topic lately, so we all appreciate everything Angie and Traci do to navigate through some difficult situations.

**Council Action Requested:** No Council action requested.
