

**AGENDA ITEM #5.2**

**REPORT TO CITY COUNCIL**

**Report Prepared by: Rich Spiczka**

---

**Date:** September 6<sup>th</sup>, 2022

**Subject:** Griffin Court Concern

**Report:** Griffin Court is a small street of the West side of Rassmussen Road, near Water Wars. At the end of it, is a small bump(similar to a speed bump) to control water flow and sediment deposit in the yards on Griffin Court. Larry Leege is a resident of Griffin Court and has a concern about the safety of that bump. The bump was installed by the Homeowners Assoc. on Griffin Court, but is technically in the city's right of way.

**Council Action Requested:** Council action as they see fit.

Speed bump causing a resident safety concern. Bump in place to control run off. Bump is in the City Right of Way
