

Crosslake Economic Development Authority
Crosslake City Hall - City Road 66
Crosslake, Minnesota 56442

Mission Statement: To Develop and Promote the Economic Growth and Welfare of Crosslake While Protecting the Environment.

Greetings Council and City Officials and Commission Members,

The Crosslake Economic Development Authority (EDA) invites you to a **Regional Workshop April 3rd, 8:30 A.M. – 10:00 A.M. at the Crosslake City Hall.**

The purpose of this gathering is to talk about the experiences, challenges, and opportunities that we have within our communities and perhaps find ways to learn from each other and even partner on any number of issues that face us all.

Dean Fitch, President of Crosslake EDA will lead us through a series of key issues, however each one of you will have the opportunity to tell us about your community.

The goal of this first meeting is to identify key issues that affect us all and decide if and how we move forward and then follow-up with future work sessions.

Our new county commissioner Bill Brekken along with the BLAEDC team will also be joining us.

We are most fortunate to live in a beautiful part of the state and need to find the commonality that will benefit us all – stronger together!

Please RSVP the number of guests to Patty Norgaard 218 692 5370

Thank You and we look forward to seeing you at our Regional Workshop!

Dean Fitch
President, Crosslake EDA
