Date: June 3, 2024

Subject: Monthly Report

Report: The April monthly report is attached for review.

Memorial Day Weekend Information:

Over Memorial Day Weekend our department had 53 traffic stops in total. 19 of those were cited for speeding or hands-free violations. There was one DUI arrest.

Of the people speeding, the fastest one was clocked driving 105 mph on State Hwy 371. There were a lot of stops that took place on the highway, however, there were also several stops in town, especially on Rasmussen Rd, both of those being areas we have taken complaints about.

Council Action Requested: No Council action is needed.
