- G. Water Availability Charge (WAC), Sewer Availability Charge (SAC) and Water Meter fees are due at time of meter hookup.
- H. The corners of the property shall be marked or staked so as to be clearly visible.

REVIEW:

- A. The Planning and Zoning Department shall review the application for completeness and assign a reference number to application, plans, and any other attachments. City Staff will indicate on the application the date that the application is complete. The applicant will be notified where additional information is needed.
- B. The City Staff shall, based on submittals, compute the land use permit fee. This fee shall be paid by the applicant at the time the application is submitted. The fee is non-refundable.

ACTION:

In order to obtain a land use permit, the following must happen:

- A. The City Zoning Administrator must review and approve the Sewer Compliance Inspection report.
- B. The Zoning Administrator must verify all current City billings and ensure that the applicant is current on all payments, including past due fees or charges to Crow Wing County.
- C. The Zoning Administrator must ensure that the permit fee has been collected.
- D. The Planning and Zoning Department must ensure that the proposed improvements meet the requirements of the Ordinance.

PLEASE NOTE: State Statutes provide the City up to 60 days to process land use applications. The City strives to process all applications as soon as they are received. To avoid delays, applicants should allow themselves as much time as possible between the time they submit their application and the time they wish to begin construction. Close coordination with the City Staff during the project design phase and submittals that are complete and accurate will help applicants avoid delays.
