Agenda Section: New Business

**Department:** Police Department

**Agenda Item:** Life Saver Award

---

Chief Davis had placed presenting Officer Hopps with the Life Saver Award on the agenda for a previous month's meeting. However, Officer Hopps was unable to attend that meeting. We have requested to reschedule this presentation as Officer Hopps is planning on joining us.

In October 2023, our former Police Officer, John Hopps, received the Life Saver Award from North Memorial Ambulance for his participation in the successful pre-hospital care of a patient in cardiac arrest.

Chief Davis would like to present Officer Hopps with his Life Saver Award and congratulate him on a well-deserved honor! The City of Pequot Lakes and the Pequot Lakes Police Department are grateful for Officer Hopps' service to our community during his employment with us and commend him for his dedication to public service.
