

REQUEST FOR ACTION CITY COUNCIL

Agenda Date: 07/01/2024
Agenda Section: Unfinished Business

Department: Public Works – City Engineer

Agenda Item: Front & Main Street Study

Approval Required: Simple Majority Vote

BACKGROUND

We have prepared a previous Study on possible improvements to Front Street and Main Street out to the Highway 371 interchange.

The next step, should the Council want to proceed with any improvements, is to determine the extent of improvements and to direct us to prepare a Design, Bidding, and Construction Phases proposal.

FINANCIAL IMPLICATIONS

STAFF RECOMMENDATIONS

Staff recommends the City Council direct Staff and Widseth on what, if any, improvements the Council wants to see.

COUNCIL ACTION REQUESTED

Motion to direct the extent of improvements, if any, and to direct Widseth to prepare a Design, Bidding, and Construction Phases proposal.
